

# ***Demolition Plus***

We welcome the opportunity to introduce **Demolition Plus**, family owned and operated. As a family owned business, we are fully committed to team effort. We have attracted a dedicated staff, many of whom have worked for **Demolition Plus** for decades. Our skilled workforce includes a variety of supervisors and team members, highly experienced equipment operators, and laborers.

We employ our own skilled mechanics who maintain all of our equipment to keep it in peak operating condition. We also stock spare parts to avoid unnecessary delays should unscheduled repairs become necessary.

Professional service – we take our customer satisfaction to heart. Competent personnel and cutting-edge equipment; Competitive prices and unparalleled expertise

For over 35 years we have offered turn-key service in the demolition and dismantling of commercial, industrial and institutional structures. We undertake partial or complete demolition of structures in various industrial and commercial fields such as mining, rail, shipping, airport, oil, pulp and paper and many more.

With constant and rapid advancements in manufacturing technologies, our clients often need help in refitting their equipment and buildings. Our expertise and outstanding service make us a leader in our field.
